Catholic Care Embrace Project. As part of the Inter generational work it is hoped that working in partnership with the parishes, Holy Family Catholic School and Catholic Care a permanent historical record can be created in the Summer of 2018. This will take on the form of a film, hopefully to be shown in the local cinema, featuring members of our community being interviewed by some young people from Holy Family School, together showing some of the history of our town and history of our faith. We are looking for volunteers who lived in Keighley in the 1940's, 50's, 60's who can share their life experiences with the children. If you would like to be a part of this experience or would like more details about it please contact Michelle at the Parish Office. It would be great to have you on board. We can't do it without you!
